Bible Study Guide
"Book of Revelation"
Lesson Four

As we saw last time, the symbolism of Revelation is elaborate, and complex. This lesson we will begin our study of the seven churches referred to in Lesson Three.

1. **Which was the first Church that was addressed by John in Chapter Two?**

2. **To whom did John Write this message? What do you think the significance of this is?**

3. **What is the setting for this message that is being written about this Church – i.e. – from whom does it come?**

4. **What did you discover about this particular Church – historically, and biblically?**

5. **What was the "positive" observation about this Church as iterated by John?**

6. **What was the "negative" observation about this Church as written by John?**

7. **What is the importance of these observations for us today?**
